

# Mastering the Art of Instrument Navigation

We are having a special guest speaker, Mr Paul Lachapelle, one of the pilots on Pan Am Flight 93 that on September 6, 1970 was hijacked and blown up on the ramp in the Middle East by terrorists. Also, included in our program will be a 40 minute video of a diagnosis of the chain of events that led to the JFK Jr disaster and crash into the ocean off the coast of Cape Cod Massachusetts.

**Directions:** US 1 Federal Hwy East side near Carl's Buick Dealership

## A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
